

Comfort you can afford

Financing solutions for your energy upgrades

The **GoGreen Home Energy Financing** program helps California homeowners and renters access attractive financing for energy upgrades. GoGreen Home is a state-administered program available to California residents who own or rent and who receive electric and/or natural gas service from City of Palo Alto Utilities or any of the following investor-owned utilities: PG&E, SDG&E, SCE or SoCalGas.

Explore loan options

Discover loan options, explore eligible upgrades and get started on your residential energy project today.

GoGreenFinancing.com/comfort
